

Our offer in Year 2023 for Small Business Claims (no single claims)

In 2023, we want to provide more transparency for our customers regarding fees for court proceedings, taking into account that courts are to be paid on the basis of a statutory table.

These fees will not affect the costs in the case of business data research, insolvency proceedings and legal advice. Of course, it is still possible to ask for a specific estimate based on a very specific amount in dispute.
